## FREE TEXTILES & CERAMICS WORKSHOPS AT OUR NEXT INSPIRE DAY

Our **INSPIRE** days are developed in partnership with Hampshire CAMHS and delivered by professional artists in Hampshire Cultural Trust's friendly community museums. These are taster days which offer young people a chance to try out new art forms and meet others who have previously taken part in our ten-week **CREATE** programmes which resume in Spring 2023.

**ANDOVER MUSEUM**  
**Wednesday 15 February**  
**10am – 2pm**

If you enjoy the day, you can sign up to our 10 week **CREATE: Textiles & Ceramics** programme. This will start on Saturday 8 April 10am - 12pm.
