

You have been invited to come to Oak Park Community Clinic.

The children's entrance is on the left-hand side of the building and looks like this.

Check in at the front desk in reception.

This is our waiting area.

We CARE through:

Compassion

Accountability

Respect

Excellence

The clinic rooms are in a long corridor, we will collect you from the waiting room and help you to find your way.

We CARE through:

Compassion

Accountability

Respect

Excellence

There are two clinic rooms. This is one of the clinic rooms, the other one looks the same but without the doll's house.

During your appointment we will also do your physical observations.

We will check your height, weight, temperature, blood pressure and pulse.

We will discuss your physical health readings with you. We will decide with you and your parent/carer if it would be appropriate for you to see your weight.

You and your family can ask any questions you may have. We will talk together to decide on the plan for your care.

**We are looking forward to meeting you.**
