

Do you work with young people?

**Hampshire CAMHS are offering a one-day
training event on suicide prevention across
three different locations in Hampshire**

This training event is for schools, colleges and organisations who work with young people, to understand and be confident in noticing and managing students that are distressed, not coping or at risk. This will cover:

- Understanding suicide and suicidal thinking
- Safety planning and working together
- Creating a suicide and self harm safer community in your school
